

WELCOME FROM THE SENIOR LEADERSHIP TEAM AND YEAR THREE TEAM

Welcome back to all our families and an especially warm welcome to new families and staff who have joined us this year. Term One is well and truly underway and staff were back in January in preparation for the coming term including renewing their first aid certificates and having a day to unpack what learning looks like, feels like and sounds like at St Thomas's School. With a change of government comes changes to the education sector and National Standards are now disappearing from schools.

However, I wish to reassure parents that it will make little difference to how we approach our teaching, learning and assessing at St Thomas's School. Sound assessment and the ability to assess and improve educational progress and achievement for all children was and remains a critical part of effective teaching and learning in St Thomas's School. Indeed, one of the changes that the Ministry are proposing to introduce is 'real time reporting' for parents and St Thomas's School is one of the few primary schools which already has this in place.

General Information

School Website

Please visit our school website if you would like to know any school wide information. See the following link:

www.stthomas/school.nz

Communication Plan

Feedback from our community survey last year indicated that parents would appreciate a more cohesive communication approach from the school. We are always looking at ways to increase our home/school partnership and are currently developing a communication plan which will be shared with the community later this term.

Upcoming Events:

February

20 Board of Trustees Meeting
(6.30-8.30pm, Boardroom)

27 Bay Suburbs Swimming

30 Good Friday

April

2-3 Easter

4 PTA meeting
(7.00pm, Staffroom)

13 Year 7 Youthtown

13 Last day of term

School Hours

Children are expected to be in class, prepared for the day by 8.55am. Please ensure you have your child at school in plenty of time.

For safety and supervision reasons no child should be on the school grounds before 8:00 and we discourage children being dropped off before 8.15am. Please Note: Classrooms may be locked until 8:30 as teachers are involved in meetings and daily preparations.

School finishes at 3pm and for safety and supervision reasons children are expected to leave the school grounds promptly.

Donations

The Board of Trustees at St Thomas's School has an ongoing commitment to ensure quality education programmes and resources are available for all students.

The Ministry of Education Operations grant meets the basic needs but we seek the support of parents and caregivers in ensuring there is extra funding available to enhance our programmes and enrich our student's learning experience.

In 2018 your donations will be used to support funding for the following:

- An extra teacher in the Juniors four days a week to support students in Years 1 -3
- Part time e-learning Co-ordinator
- Learning opportunities in the Talented and Gifted programme
- Extra teacher aides to support literacy and numeracy across the school
- Part time Sports Co-ordinator
- Support of our Te Reo Maori and Mandarin programme
- Programmes relating to enviro, mindfulness and peer support & mediation
- Teachers to support ESOL four days per week
- Part time writing support teacher
- Part time support teacher in Senior school

Without the generosity of your donations we will be unable to continue to fund these extra teachers/programmes. Donations above the suggested amount are very welcome.

Per child	\$395.00
(Third/Fourth child less 10%)	\$355.50

Parking

Please be aware of the parking signs around the school. These are there for the safety of all our children. Please do not park at the bus stop between 8.30am and 9.00am and note that this area is 5 minute parking at any other time of the day.

Staff Car Park

Do not enter our Staff Car Park as we do not want our young students involved in accidents.

Kea Crossing

Ensure your children cross the road either at the Kea Crossing on Allum Street or at the lights on the corner of Allum St and Kohimarama Road.

The Kea Crossing must be kept clear of cars and it is illegal to turn your car near the crossing when it is in operation.

Metro Link operate the School Bus: 09 373 9100. If you have any problems with the service call them.

Picking up Children during the School Day

If you need to pick up your child for an appointment during the school day please be aware that you cannot do this between 10.30 -10.50 and 12.30 – 1.30. Please arrange to collect them either before or after these times.

National Standards

The Government has announced that National Standards will be removed from 2018. Instead schools will focus on the progress and achievement of all children across the wider New Zealand Curriculum.

This change will better acknowledge the different ways and pace at which children learn, and support teachers to provide more learning opportunities based on what children already know and can do.

Schools will still be required to report to parents, at least twice a year, on their child's progress and achievement, especially in the foundational learning areas of maths, reading, and writing. But schools will no longer be required to use National Standards for this reporting.

Education Review Office (ERO) reports on a local community's schools will remain the best guide to their performance, the quality of their teaching and school leadership, and the steps they are taking to progress children's learning. These reports provide a much more comprehensive picture of the quality of your local schools than did National Standards data.

Information on the how children, or groups of children, are progressing and achieving nationally, will come from the National Monitoring of Student Achievement (NMSA). These studies test several thousand children each year on different areas of the curriculum. International studies will also help provide parents, whānau as well as schools and the Ministry, with valuable information on student progress and achievement. The new approach will be developed with sector experts, parents,

whānau, iwi and students during 2018. We expect this new system of progress assessment and reporting to come online gradually between 2018 and 2019.

Find out more about these [changes and about the new reporting requirements](#).

PTA

School Picnic

- 5-7.30pm on the school field, Thurs 8th of March (Thurs 15th of March is the rain date)
- Set up your own Picnic and picnic rug on the field and enjoy the view and socialising with other parents and teachers – while the kids have fun!
- Lots of new & exciting entertainment available including Pony Rides & Petting Zoo, Mini go-carts, Vertical Bungy, Mission Impossible inflatable, DJ Fetu, Face painting and lots more!
- Food will be available to purchase; Paella, Sausage Sizzle, Hot chips, Ice-creams, Sushi, Dumplings and Baking
- Keep an eye on FlexiBuzz and the PTA Facebook page for more details soon!

PTA AGM

- Will be held in the school office at 7pm on Thurs 22nd March – everyone welcome to come along and see what is involved with being a part of the PTA, and join if they want to.
- Our regular PTA meeting will follow at 7.30pm.
-

Iceblock Friday's

- Are back for rest of Term 1!

Available from under the tree after school; \$2 ice blocks and \$3 ice-creams

Year Three Team's Welcome Message

Welcome to Year 3. We are an energetic cohort of five classes and combined we bring a wealth of knowledge, ideas, strengths and passions to provide your children a rich programme of learning experiences across the curriculum, and beyond! In Year 3 we work collaboratively as a team. The walls of our classrooms display our shared learning goals and next steps for students, as well as learning successes, published work

Year Three's Upcoming Events

Week 3 Swimming begins on Tuesdays until Week 11
 Kapa Haka Monday lunchtimes
8 March: School Picnic 5pm
16 March: Year 3 Assembly (M9)
22 March: Parent Information Evening
30 March: Easter Friday
2 April: Easter Monday
3 April: Easter Tuesday
13 April: End of Term 1

and artwork. Our classroom doors are always open for you to pop in and see how your child is progressing and to celebrate their learning.

General Year 3 information will be communicated to parents via Flexibuzz so please do make sure you are signed up. More specific class requirements will be emailed directly to you by your child's classroom teacher. Home Learning is sent out every Monday.

We look forward to a great Term in Year 3. If you have any questions, or wish to discuss your child's learning, please don't hesitate to contact your child's Home teacher.

Regards, The Year 3 Team – Mrs Kroonenberg (Team Leader), Miss Davies, Miss Agnew, Mr Lonsdale-Cooper and Mrs Jackson.

LEARNING FOCUS

This term for **Topic** we focus on Kiwiana and what defines being Kiwi in New Zealand. Part of this will include studying symbols and icons that make NZ unique and how these might compare to other cultures and countries. We will be working collaboratively across the Year 3 for Topic including creating a shared Year 3 Treaty, class pepehas (who we are , where we come from) and making cultural connections.

In **Maths** we will be focusing on number knowledge, basic facts, addition and subtraction strategies and word problems. Our Strand Maths for Term 1 is Statistics so don't be surprised if your find yourself participating in endless surveys by your keen Statisticians!

For **Literacy**, we will be focusing on essential spelling words and phonics this Term and ask that you support

GENERAL INFORMATION

Hats to be worn everyday in Term 1

* Named uniform—especially with swimming and children getting changed.

* Swimming togs, goggles, towel and plastic bag every Tuesday

* Green Home Reading Log returned to school for checking on Fridays

* Children to arrive no earlier than 8.30am before school as teachers cannot supervise before this time (Karma Kids is available).

any home learning around this given by your class teacher.

St Thomas's school-wide value for the term is **Connections** and the Key Competency focus is **Relating to Others**. This term we are also focusing student disposition on being **Resilient** learners.
