

WELCOME FROM THE SENIOR LEADERSHIP TEAM AND YEAR TWO TEAM

Welcome back to all our families and an especially warm welcome to new families and staff who have joined us this year. Term One is well and truly underway and staff were back in January in preparation for the coming term including renewing their first aid certificates and having a day to unpack what learning looks like, feels like and sounds like at St Thomas's School. With a change of government comes changes to the education sector and National Standards are now disappearing from schools.

However, I wish to reassure parents that it will make little difference to how we approach our teaching, learning and assessing at St Thomas's School. Sound assessment and the ability to assess and improve educational progress and achievement for all children was and remains a critical part of effective teaching and learning in St Thomas's School. Indeed, one of the changes that the Ministry are proposing to introduce is 'real time reporting' for parents and St Thomas's School is one of the few primary schools which already has this in place.

General Information

School Website

Please visit our school website if you would like to know any school wide information. See the following link:

www.stthomas/school.nz

Communication Plan

Feedback from our community survey last year indicated that parents would appreciate a more cohesive communication approach from the school. We are always looking at ways to increase our home/school partnership and are currently developing a communication plan which will be shared with the community later this term.

Upcoming Events:

February

20 Board of Trustees Meeting
(6.30-8.30pm, Boardroom)

27 Bay Suburbs Swimming

30 Good Friday

April

2-3 Easter

4 PTA meeting
(7.00pm, Staffroom)

13 Year 7 Youthtown

13 Last day of term

School Hours

Children are expected to be in class, prepared for the day by 8.55am. Please ensure you have your child at school in plenty of time.

For safety and supervision reasons no child should be on the school grounds before 8:00 and we discourage children being dropped off before 8.15am. Please Note: Classrooms may be locked until 8:30 as teachers are involved in meetings and daily preparations.

School finishes at 3pm and for safety and supervision reasons children are expected to leave the school grounds promptly.

Donations

The Board of Trustees at St Thomas's School has an ongoing commitment to ensure quality education programmes and resources are available for all students.

The Ministry of Education Operations grant meets the basic needs but we seek the support of parents and caregivers in ensuring there is extra funding available to enhance our programmes and enrich our student's learning experience.

In 2018 your donations will be used to support funding for the following:

- An extra teacher in the Juniors four days a week to support students in Years 1 -3
- Part time e-learning Co-ordinator
- Learning opportunities in the Talented and Gifted programme
- Extra teacher aides to support literacy and numeracy across the school
- Part time Sports Co-ordinator
- Support of our Te Reo Maori and Mandarin programme
- Programmes relating to enviro, mindfulness and peer support & mediation
- Teachers to support ESOL four days per week
- Part time writing support teacher
- Part time support teacher in Senior school

Without the generosity of your donations we will be unable to continue to fund these extra teachers/programmes. Donations above the suggested amount are very welcome.

Per child	\$395.00
(Third/Fourth child less 10%)	\$355.50

Parking

Please be aware of the parking signs around the school. These are there for the safety of all our children. Please do not park at the bus stop between 8.30am and 9.00am and note that this area is 5 minute parking at any other time of the day.

Staff Car Park

Do not enter our Staff Car Park as we do not want our young students involved in accidents.

Kea Crossing

Ensure your children cross the road either at the Kea Crossing on Allum Street or at the lights on the corner of Allum St and Kohimarama Road.

The Kea Crossing must be kept clear of cars and it is illegal to turn your car near the crossing when it is in operation.

Metro Link operate the School Bus: 09 373 9100. If you have any problems with the service call them.

Picking up Children during the School Day

If you need to pick up your child for an appointment during the school day please be aware that you cannot do this between 10.30 -10.50 and 12.30 – 1.30. Please arrange to collect them either before or after these times.

National Standards

The Government has announced that National Standards will be removed from 2018. Instead schools will focus on the progress and achievement of all children across the wider New Zealand Curriculum.

This change will better acknowledge the different ways and pace at which children learn, and support teachers to provide more learning opportunities based on what children already know and can do.

Schools will still be required to report to parents, at least twice a year, on their child's progress and achievement, especially in the foundational learning areas of maths, reading, and writing. But schools will no longer be required to use National Standards for this reporting.

Education Review Office (ERO) reports on a local community's schools will remain the best guide to their performance, the quality of their teaching and school leadership, and the steps they are taking to progress children's learning. These reports provide a much more comprehensive picture of the quality of your local schools than did National Standards data.

Information on the how children, or groups of children, are progressing and achieving nationally, will come from the National Monitoring of Student Achievement (NMSA). These studies test several thousand children each year on different areas of the curriculum. International studies will also help provide parents, whānau as well as schools and the Ministry, with valuable information on student progress and achievement. The new approach will be developed with sector experts, parents,

whānau, iwi and students during 2018. We expect this new system of progress assessment and reporting to come online gradually between 2018 and 2019.

Find out more about these [changes and about the new reporting requirements](#)

PTA

School Picnic

- 5-7.30pm on the school field, Thurs 8th of March (Thurs 15th of March is the rain date)
- Set up your own Picnic and picnic rug on the field and enjoy the view and socialising with other parents and teachers – while the kids have fun!

- Are back for rest of Term 1!

Available from under the tree after school; \$2 ice blocks and \$3 ice-creams

Year Two Team's Welcome Message

Year 2 is an exciting year for all our students and families . Students begin to feel they understand the school, what happens each term and can get stuck into some solid learning. During this term we like to focus on getting to know the students, the students getting to know each other and building a strong relationship with our families. We

encourage you to pop into the classroom once a week to

Year Two's Upcoming Events

March:

Thursday 1st- School picnic
Friday 9th- Year 2 Beach Trip
Thursday 22nd- Parent Information Evening
Friday 30th- *Good Friday*

April:

Monday 2nd- *Easter Monday*
Tuesday 3rd- *Easter Tuesday*
Friday 6th- J8 assembly
Friday 13th- Term 1 ends

chat to your child's teacher and see what amazing work your child has been doing. The students are always keen to show off their fabulous work as well. As a school we are focusing on our St Thomas's Learner dispositions. This term the Year 2 cohort have chosen to focus on Collaborative and Curious; we will explore what these learner qualities look like and work to become both collaborative and curious learners in society. We look forward to getting to know each of you during the term. Regards, The Year 2 Team – Miss Bright, Miss Ko, Miss Mills and Mrs McAdam.

LEARNING FOCUS

Year 2 will be collaborating across our classes in Literacy, Maths and Topic. In Reading, students should benefit from whole morning programmes that will be targeted towards their specific learning needs. In Maths, students will be able to develop their knowledge and problem-solving skills through a variety of workshops based on basic facts, games, statistics and construction. Our topic for this term is called Connect Four, where students will focus on connecting with their class, our year level, the wider school and the community/environment.

GENERAL INFORMATION

- Please do make sure that you have signed in to your child's class on Flexibuzz.
- All children need to wear hats.
- Swimming is on Thursdays. Please let the class teacher know if your child is unable to swim.
- Library is also on Thursdays and books must be returned before a new one can be issued.
- The teachers are unable to supervise children who arrive early in the morning. Please try to plan to have your child at school no earlier than 8:30 am. Karma Kids offer a before school care programme.
- We continue to encourage families to provide a healthy litterless morning tea and lunch for their children.
- If your child is unwell please do keep them at home and let the office know.
