New Entrant Classification Policy

For students who start on their fifth birthday.

A student who is enrolled after 1 May will be deemed a Year 0 for the remainder of that year and will continue in Year 1 the following year.

Students who enrol as a New Entrant, within one year of their fifth birthday, will be deemed to be a Year 0 or Year 1 depending on whether their start date is before or from 1 May.

A student who is enrolled as a New Entrant at six years of age will be deemed a Year 1 student regardless of whether he/she is enrolled before or after 1 May.
