All teachers who attended the disco absolutely loved it and thought that you'd done so very well.
Huge thanks to you. And a big thankyou to Alex and Sam who stayed to the end.
Cross country – 1.30 Friday. Training sessions have been well monitored and successful.
- **SCHOOL VALUES**
Our three VALUES are a focus for the term.
This term Respect. R's Respect, Resilient, Responsible. Everyone at school is very busy – There is a big focus is on RESPECT. Each morning at 9.00am Mr D has an announcement accompanied by background music which gives the kids an overview of how we should show respect – eg: inclusivity/environment/others ect. Staff are also invested and have a RESPECT box in the staffroom. Staff are very much onboard with this.
Reward System: Hauraki has a mufti day tomorrow – students get house points as a result of being respectful etc, and when they reach their goal of 20,000 points they get a mufti day. Schoolwide reward when all houses get to 100,000 points is another OPTION block, where teachers manage an activity and students opt in.
- **MUSIC SHOWCASE**

Extremely successful and very valuable for those who participated. Alex brought round certificates for Music showcase – who had left and she did an amazing job on the night.

- **WINTER ILLNESSES**

Not many relievers around – staffing to cover illness is difficult.
