

Enrolment Policy

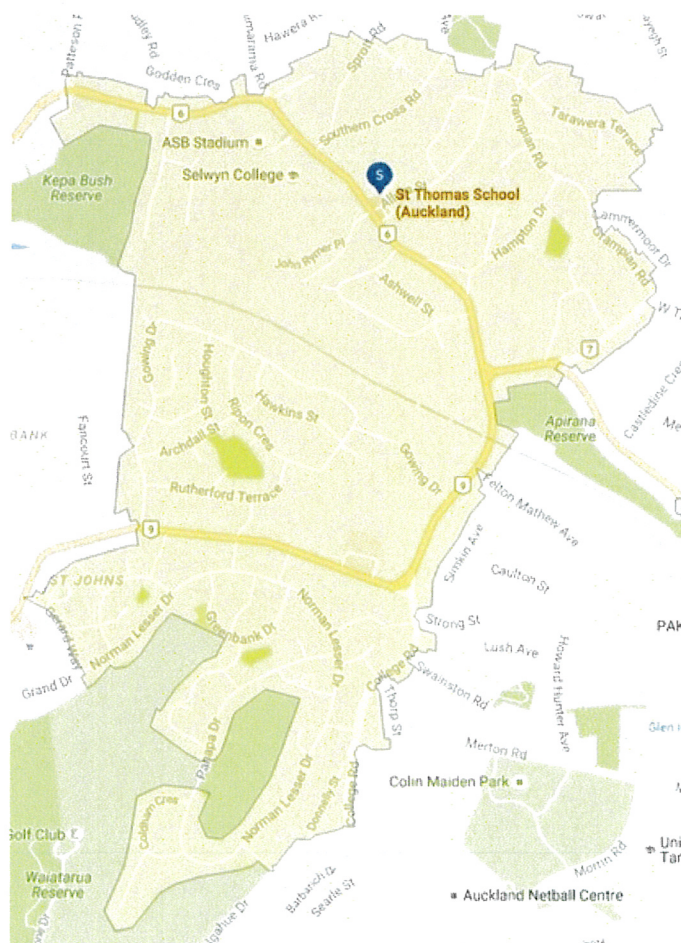

For the purpose of avoiding overcrowding at the school, the St Thomas's School Board of Trustees will implement the following enrolment scheme effective from 1 January, 2001 until such time as the enrolment scheme is abandoned or amended. This scheme applies to children who are New Zealand citizens or have New Zealand residency or who have a parent who is in New Zealand with a current work permit, and for whom a student permit has been obtained.

The Enrolment Scheme Home Zone

All students who live within the home zone shown on the attached map (a list of street names with numbers is listed under the School Zone section if required) shall be entitled to enrol at the school. The Board of Trustees will require proof of residential address.

Pre-enrolment of in-zone students

For administration purposes the Board of Trustees will request that a pre-enrolment form be completed. Proof of a permanent in-zone address will be required along with proof of identity and vaccination records.
